Kentucky News Cullings

An epitome of the most important events transpiring throughout the state

Everyone must occasionally give to the bowels some regular help or else suffer from constipation, bilious attacks, stomach disorders and sick headache. But do not whip the bowels into activity with harsh cathartics.

What the liver and bowels need is a gentle and natural tonic, one that can constantly be used without harm. The gentlest liver and bowel tonic is "Cascarets." They put the liver to work and cleanse the colon and bowels of all waste, toxins and poisons without griping—they never sicken or inconvenience you like Calomel, Salts, Oil or Purgatives.

Twenty-five million boxes of Cascarets are sold each year. They work while you sleep. Cascarets cost so little—Adv.

Whippets Beat Mules.

The whippet tank, which roared and barked and crawled its way to victory in the war against Germany, is putting horses and mules out of business in the great pine forests of northern Arizona. One big lumber concern at Flagstaff has just put two tanks to work, having bought them from the war department. Each tank has displaced thirty horses and fourteen men, according to company officials. Using horses it was impossible for the company to haul during the winter months. The tanks, however, take no account of weather conditions.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that most forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach soars, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinary waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithium, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

The Wise Agent.

The agent for the Weissel Drugs he was selling was a smart man. He rang the doorbell and a maid opened the door.

"Good morning," said the agent. "I am trying to find a married lady whose name I can't remember just now. I think this is her home. She is a woman easily described. Perhaps you know her. She is a handsome woman, with a perfect complexion, beautiful hair and teeth, lovely eyes and an ideal figure, I thought."

"Mary" called a voice from the top of the stairs, "tell the gentleman I will be right down!"—Cincinnati Enquirer.

"NOTHING BETTER AS A LAXATIVE"

Asheville Lady Finds Black-Draught An Effective Remedy in Her Family for Common Ailments of the Digestive Organs.

Asheville, N. C.—Mrs. E. K. Jarvis, 44 Woodrow Avenue, this city, says: "I have used and heard of Thedford's Black-Draught for years, and I certainly have found it splendid for headache, sour stomach, indigestion and other ills that come from a deranged liver."

"My husband and I keep Black-Draught in the house and think it is splendid to keep off sickness. I have used it in small doses as a laxative, and there is nothing better."

"Black-Draught is a mild liver medicine . . . any child can take it. I have found it splendid with them for colds."

Thedford's Black-Draught has benefited thousands in relieving liver ailments. It helps to drive bile poisons and other unhealthful matters out of the system.

Black-Draught is a standby in thousands of family medicine chests. It should be in yours. Its use should help to keep the whole family well. Prompt treatment is often half the battle against many ailments.

Vice's Aftermath.

He (despairing)—Oh, why did I ever learn gambling?

She—That's the trouble; you never learned.

A spinster says that dying an old maid is easier than living one.
